In 2022, Honeytree Improvement Association implemented a new Activity Pass System to be used for all Social Activities as well as the pool facility. To get your pass you will need to show proof of residency in Honeytree Improvement Association and get your picture taken.

If you already had your picture taken and have a pass, you will just need to show your proof of residency, you will not be given a new pass, you will continue to be able to use your current one. We do this to ensure only RESIDENTS and their residing family members have access to the pool facility. Pictures of children will need to be done annually as children grow.

All new owners will have to bring in their proof of Residency and get their picture taken so they can receive their pass.

If we have your e-mail we can and will send you your pass electronically to your phone, which is the preferred method. These passes can then be stored in your phone "wallet" and shared with your family members. For those residents that do not want an electronic pass, we can print out physical passes.

All residents and their residing family members will need to show proof of residency EACH YEAR, as many people move and the only way to ensure only residents are using the pool is to update this every year. All homes will also receive two (2) guest passes. Additional guest passes can be purchased daily for \$5 or a yearly pass for \$25.

**Please stop in the Clubhouse soon with your proof of residency and renew your Activity Pass. Avoid the rush when the pool opens.**

Current guidelines on what is acceptable "proof of residency" are as follows:

### **RESIDENTS 18 YEARS AND OLDER- two (2) items needed**

1. Driver's license or State ID with Honeytree address
2. Change of address form showing you are moving to a Honeytree address (from the last 60 days)
